

Amanda L. Roop

Compositor

I am an enthusiastic mid-level compositor who welcomes new challenges, enjoys discovering improved ways of doing things, and is looking forward to positively contributing to a team.

Skills

- Comprehensive knowledge of Nuke (including Deep and 2.5D compositing)
- Detail-oriented and familiar with feature film VFX expectations
- Excellent communication, interpersonal and organizational skills
- Good at taking direction, enthusiastic about working on feature films

EXPERIENCE

Scanline VFX, Vancouver — Compositor

July 2017 - June 2019 (2 years)

Completed junior to mid-level compositing shots within a production schedule while maintaining open communication with the Leads, Supervisors and Coordinators. I used a variety of compositing techniques including;

- Creating detailed keys and matte extractions at all levels of complexity
- Implementing a variety of edge treatment techniques to best suit the needs of the shot
- Treating and rebuilding CG passes, including fixing render artifacts/errors
- Scene extensions, including crowd extensions and basic matte painting

Scanline VFX, Vancouver — Roto/Paint Artist

November 2014 - July 2017 (2.5 years)

Finished high complexity paint shots including complex rig and crew removal (both over static sets and actors) and high fidelity rotoscoping. I was also entrusted with reviewing and quality control of outsourced tasks (both roto and paint).

Gener8 Media, Vancouver — Prep Artist

February 2014 - September 2014 (8 months)

Assessed shots for the best possible approach to stereo conversion including determining the look and quality of the finished product.

Waterproof Studios, Vancouver — Junior Compositor

October 2013 - February 2014 (5 months)

Completed tasks such as tracking (2D and 3D), matte extractions, background placement/layout, and comp work on a large volume of greenscreen shots.

EDUCATION

Vancouver Film School, Vancouver — *3D Animation & Visual Effects*

May 2012 - June 2013, One year Diploma

Interests

In my spare time, I enjoy watching movies, working on any number of sewing or quilting projects, or spending some time in the Great Outdoors. I'm also very passionate about comic books, and the movies that they inspire (read: huge nerd).

I am a Canadian Citizen.
